

Sample Letter of Appreciation for Support to Boss

Dear Sir/ Mam,

I am writing today to thank you for the support you have provided me whenever I needed it. It's hard to find a boss who is always standing their employees to help and make them better. I am sort of words to explain how privileged I feel to work under your guidance.

Last month was not very smooth, I have gone through a lot personally. I am glad you understand me and continue to show your trust in me.

This support of yours encourages me to do better. I promise you to never let my personal life impact my professional work.

Thank you once again for lending the support in a difficult situation. I will never forget your helping nature. I will try my best to be as useful to the company as possible.

Thank you once again.

Yours truly,

Sujoy Sharma
